

## Medical

Should your student become ill while at camp, they will be treated with extreme care. Parents are responsible for any physician, hospital, or pharmacy charges that might be incurred by their student for illness or injury. Worldview Academy does not have medical personnel on staff. If a student has been sick prior to camp, they must be fever-free for 24 hours before arriving to camp. If your student becomes ill at camp, our policy is as follows:

We will take your student's temperature. If a fever is present (100° or more), we will contact you and have your student rest for the next two hours. If after two hours their temperature has not improved without medication, you will be asked to pick them up. We do this to protect the remaining students from getting sick and to allow your student to recuperate at home.

## Prescription Medications\*\*

All prescription medications must be labeled, placed in a "Ziploc" bag, and turned into the "Meds" table during Camp Check-In. One of our senior staff members will oversee the administration of all prescriptions throughout the course of the week. Meds will be returned to students Friday morning of camp.

*Now that we have hashed out the details, we really want you to know we understand that your child is the most precious gift you possess. We treasure the opportunity to spend time with your student, and we do not take lightly the responsibility that accompanies this privilege. Thank you for allowing us to be a part of your family's education.*

**Roommate Requests** In order to consider a roommate request, the request must be made through your online account two weeks prior to your camp start date. Two students must mutually request each other and they must be within one year of each other at the time of camp. We cannot guarantee roommate requests.

**Media Release** Each day at camp, we post a variety of "life at camp" images, on the Worldview Academy website. It gives families a chance to see what happens at camp. Some of those images may be used on Worldview Academy marketing material such as the camp brochure and promotional DVD. Your student's involvement at camp indicates your consent to this activity.

**Responsibility** Every effort will be made to provide the safest environment possible. However, Worldview Academy, its directors, staff and associates can assume no responsibility for accidents, illness or loss of personal equipment, by fire, theft, or student's carelessness.

**Use of Phones** Student cell phones are not allowed at camp – **no exceptions**. Cell phones brought by students will be collected at registration and returned at the closing of camp. However, students may use the camp phone. Parents must authorize calls to anyone other than immediate family.

**Safe Campus** We take very seriously the safety and welfare of your student while they are at camp. Consequently, we will conduct a security search the first evening of camp. If prohibited items from our packing list are found, they will be collected and returned to the student at the end of camp. There will also be a safety briefing during camp orientation outlining emergency procedures.

**Mail** We strongly encourage you to write your student. Please keep in mind that mail on campus can sometimes get delayed. Email is the best way to guarantee your student receives your note. Emails will be printed and delivered each day to students.
