WORLDVIEW ACADEMY
2021
Refined.

Camps where students become servant leaders in truth and grace.
Let’s face it. 2020 was a year filled with challenges on every level...health concerns, civil unrest, economic complexities, and a presidential election as well. Yet one thing remains unchanged, strong, reliable, and relevant: The truth of Christ and His Word.

That’s the unapologetic, uncompromising foundation for Worldview Academy. Our 2020 summer looked much different and took us all through a deep period of refining for 2021. Through this refinement you will discover a recharged, unrivaled camp experience for students at Worldview Academy this summer.

Our acclaimed faculty remains steadfast in their desire to connect with students, challenging them to a deeper walk with Jesus, and the best college staff in America are eager and prepared to serve your student in these confusing and difficult days.
More than ever, the world is saturated with philosophies and worldviews fueled by entitlement, emotion, and self-focused attitudes.

Worldview Academy camps come alongside parents, building and reinforcing a solid place not only for students to stand, but for them to lead culture toward truth and grace. One amazing aspect of camp is that it happens in an encouraging atmosphere of laughter, acceptance, and growth.

Here is an example of the topics we explore during the six days of camp.

**Worldviews:**
- Critical thinking
- The nature of God and man
- Islam
- The Reliability of Scripture
- Pop culture
- Comparing Christianity and other worldviews

**Apologetics:**
- Creation vs. Evolution
- The Biblical basis for law and justice
- Ideas have consequences
- The Biblical view of government

**Leadership:**
- Servant leadership
- Leadership practicum
- Principles of communication
- Character-driven leadership
- Spheres of influence

NEW FOR 2021!
We have developed a new Alumni Track designed to take second and third year students deeper than ever.
Q&A

How old do you have to be to come to Worldview Academy?
Worldview is for students 13 to 18 years of age.

What is the schedule for the week?
Students arrive Sunday afternoon and activities begin right away. Each day is filled with lectures, activities, and free time. The week concludes at noon on Friday with a closing celebration for students and parents.

How much does camp cost?
$760 is the full cost per student, which includes tuition, room & board, a camp t-shirt, and costs for activities.

Are there scholarships available?
Yes there are. Partial scholarships are available for first-time students due to the gracious support of camp families. To apply visit www.worldview.org.

How are you preparing for changing health concerns?
We take the health of your student very seriously. Be assured that we are monitoring the health developments in each camp location and are prepared with a comprehensive protocol that will meet all local requirements. We will post specific protocol on our website and are always willing to have a conversation to understand the unique questions and concerns you have about your student.

What do I need to bring to camp?
Once you register, we will provide you with a list of what to bring, contact information for your Camp Director, and other details that make your camp experience the best it can be.

How do you deal with tough cultural issues?
At Worldview Academy, we show students that every thought and every action, whether controversial or not, must be viewed through the lens of Scripture. In that context, students look at all issues through the truth and grace of the gospel toward everyone they encounter.

Can I bring a group to camp?
Absolutely. We welcome classes, and even entire youth groups. Call our Registrar and she’ll be happy to give the details on how to make that happen.

Can parents attend classes?
Yes. we love it when parents and group leaders are able to attend some lectures during the week. We just ask you to check in with the Camp Director before arriving on campus.

Can students opt-out of any activities?
All of the activities during the week are intentionally designed to help students not only understand core concepts, but to have an opportunity to put them into practice in a safe environment. While none of the activities are required, we encourage all students to take full advantage of every element of Worldview Academy.

What if my camp is canceled or relocated?
Communication with parents is critical to us. As camp season approaches, we’ll keep you informed every step of the way, both regionally and locally. We’ll provide all the options available as they become necessary.

What if we arrive late, or need to leave early?
We understand that sometimes schedules change, but we believe you’ll want your son or daughter to maximize their time at camp. We advise parents to make camp a priority in their planning.

Have more questions? You can call our Registrar during regular business hours and we’ll be happy to help.

SAFETY

At Worldview Academy, for the last 25 years, the safety of your student has always been of paramount importance. We know the last year has brought about many new safety and health concerns that we are well-prepared to address without compromising what makes a Worldview Academy camp, a life-changing experience. We have refined our processes and procedures and are ready to implement a variety of protocols depending on the specific requirements of the local health departments. You can have confidence that we will do our best to mitigate health risks and with integrity do exactly what we have done for the last twenty five years.

Every student is part of a small group and during the week they have time to process ideas and lectures on a more personal level.
